Transifex

- Open translation platform
- Reduce overhead for publishers
- Content hosted anywhere: Any project!
- One-stop portal: www.transifex.net
- Fedora, Red Hat: 600 translators
- 10+ conferences, 4 Google sponsorships

The team: Indifex

- Builders of established translation platforms
- Experts in community-powered translations
- Long-term open source involvement
- Strong connections with related enterprises
- Experience in development, management, QA
- International
